IMPORTANT NOTICE

This Information Memorandum (together with any supplementary information memorandum and information incorporated herein by reference, the “**Information Memorandum**”) contains summary information provided by Eni S.p.A. (“**Eni**”) and Eni Finance International SA (“**EFI**”) (each in their capacity as an Issuer, an “**Issuer**” and together, the “**Issuers**”) and Eni, in its capacity as guarantor (the “**Guarantor**”) in connection with a euro commercial paper programme (the “**Programme**”) under which the Issuers may issue and have outstanding at any time euro-commercial paper notes up to a maximum aggregate amount of €4,000,000,000 or its equivalent in alternative currencies.

Under the Programme each Issuer may from time to time issue, in the case of Eni, notes in bearer form, initially in global form (“**Eni Notes**”), and in the case of EFI, treasury notes (*billets de trésorerie/thesauriebewijzen*) in dematerialised form pursuant to the Belgian Law of 22 July 1991 as amended (the “**Belgian Law**”) and the Belgian Royal Decree of 14 October 1991 as amended (the “**Belgian Royal Decree**”) relating to *billets de trésorerie et certificats de dépôt/thesauriebewijzen en depositobewijzen* (“**EFI Notes**” and, together with the Eni Notes, the “**Notes**”), to be sold outside the United States pursuant to Regulation S (“**Regulation S**”) of the United States Securities Act of 1933, as amended (the “**Securities Act**”). EFI Notes will have the benefit of an amended and restated deed of guarantee dated 1 March 2022 and entered into by the Guarantor (the “**Guarantee**”). For the avoidance of doubt, this Information Memorandum constitutes a “prospectus” for purposes of article 5 of the Belgian Law. Each of the Issuers and the Guarantor have, pursuant to an amended and restated dealer agreement dated 1 March 2022 (the “**Dealer Agreement**”), appointed Goldman Sachs International as arranger for the Programme (the “**Arranger**”), Barclays Bank Ireland PLC, BNP Paribas, Citigroup Global Markets Limited, Eni Finance International SA (in respect of EFI Notes only), Credit Suisse Bank (Europe), S.A., Crédit Agricole Corporate and Investment Bank and Goldman Sachs International as dealers for the Notes (together with the Arranger and further dealers appointed under the Programme pursuant to the Dealer Agreement from time to time, the “**Dealers**”) and authorised and requested the Dealers to circulate this Information Memorandum in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes, subject to the restrictions set out under “*Selling Restrictions*” below.

THE NOTES AND THE GUARANTEE HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OR ANY U.S. STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT (“REGULATION S”)) (“U.S. PERSONS”) UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IS AVAILABLE AND IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER JURISDICTION.

The Notes and the Guarantee have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

Each Issuer (in respect of itself) and the Guarantor (jointly and severally in respect of itself and EFI) have confirmed to the Arranger and the Dealers that the information contained or incorporated by reference in this Information Memorandum is true and accurate in all material respects and not misleading and that there are no other facts the omission of which makes this Information Memorandum as a whole, or any such information contained or incorporated by reference herein, misleading.

None of the Issuers or the Guarantor (except as required by Belgian Law or the Belgian Royal Decree) and none of the Arranger or the Dealers accepts any responsibility, express or implied, for updating this Information Memorandum and neither the delivery of this Information Memorandum nor any offer or sale made on the basis of the information in this Information Memorandum shall under any circumstances create any implication that this Information Memorandum is accurate at any time subsequent to the date thereof with respect to the Issuers or the Guarantor or that there has been no change in the business, financial condition or affairs of the Issuers or the Guarantor since the date hereof.

No person is authorised by the Issuers or the Guarantor to give any information or to make any representation not contained in this Information Memorandum and any information or representation not contained herein must not be relied upon as having been authorised.

To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of this Information Memorandum or for any other statement made or purported to be made by the Arranger or a Dealer, or on its behalf, in connection with the Issuers, the Guarantor or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Information Memorandum or any such statement.

In relation to the EFI Notes, EFI (in respect of itself) and the Guarantor (jointly and severally in respect of itself and EFI) each accepts responsibility for this Information Memorandum and its supplements and updates if any. In particular, EFI and the Guarantor will be responsible towards interested parties for losses which may occur as an immediate and direct result of the absence or inaccuracy of any matters that are required to be contained herein pursuant to article 5 of the Belgian Law and pursuant to the provisions of Chapter II, Section 2 of the Belgian Royal Decree.

Neither this Information Memorandum nor any financial statements incorporated by reference herein are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Arranger, the Dealers, the Issuers or the Guarantor that any recipient of this Information Memorandum or any financial statements incorporated by reference herein should purchase the Notes. Each such recipient or potential purchaser of Notes should determine for itself the relevance of the information contained in this Information Memorandum and its purchase of Notes should be based upon its own independent assessment and investigation of the financial condition, affairs and creditworthiness of each of the Issuers and the Guarantor and of the Programme as it deems necessary and must base any investment decision upon such independent assessment and investigation and not on this Information Memorandum (which only contains a summarised description of the current activities of the Issuers and the Guarantor). None of the Dealers or the Arranger undertakes to review the business, financial condition or affairs of the Issuers or the Guarantor during the life of the arrangements contemplated by this Information Memorandum nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

To the fullest extent permitted by law, neither the Arranger nor any Dealer accepts any liability in relation to this Information Memorandum or its distribution by any other person. This Information Memorandum does not, and is not intended to, constitute an offer or invitation to any person to purchase Notes. The distribution of this Information Memorandum and the offering for sale of Notes or any interest in such Notes or any rights in respect of such Notes, in certain jurisdictions, may be restricted by law. Persons obtaining this Information Memorandum or any Notes or any interest in such Notes or any rights in respect of such Notes are required by each of the Issuers, the Guarantor, the Arranger and the Dealers to inform themselves about and to observe any such restrictions. In particular, but without limitation, such persons are required to comply with the restrictions on offers or sales of Notes and on distribution of this Information Memorandum and other information in relation to the Notes, the Issuers and the Guarantor set out under “*Selling Restrictions*” below.

No application will be made at any time to list the Notes on any stock exchange. A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “**FSMA**”)) received in connection with the issue or sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuers or the Guarantor.

In accordance with the Short-Term European Paper (“**STEP**”) initiative, the Programme has been submitted to the STEP Secretariat in order to apply for the STEP label in respect of the EFI Notes and the Eni Notes. The status of STEP compliance of the Programme can be checked on the STEP market website (initially www.stepmarket.org).

MIFID II AND UK MIFIR PRODUCT GOVERNANCE – Solely by virtue of appointment as Arranger or Dealer, as applicable, on this Programme, neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of EU Delegated Directive 2017/593 or Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018

(“EUWA”) product governance rules set out in the FCA Handbook Product Intervention and Product Governance Sourcebook.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). As ratings may be changed, superseded or withdrawn as a result of changes in, or unavailability of, such information, a prospective purchaser should verify the current long-term and short-term ratings of the Issuers before

Brief Description of Current Activities:

Eni engages in producing and selling energy products and services to worldwide markets, with operations in the traditional businesses of exploring for, developing, extracting and marketing crude oil and natural gas, manufacturing and marketing oil-based fuels and chemicals products and gas-fired power as well as energy products from renewable sources. Eni is implementing a strategy designed to reduce in the long term its dependence on hydrocarbons and to increase the weight of decarbonised products in its portfolio, with the aim to reach the target of net zero emissions of CO₂ by 2050 to comply with the climate target of the Paris Agreement. According to the management, this strategic shift away from traditional hydrocarbon will place Eni in a very competitive position in the market for the supply of decarbonised products, combining value creation, business sustainability and economic and financial robustness, lessening Eni's dependence on the volatility of the results of the hydrocarbon business.

Eni has operations in 69 countries and beyond 32,000 employees as at 31 December 2021.

The organisational structure on Eni group companies (the “**Group**”) comprises two business groups to align with Eni's decarbonisation strategy. The “Natural Resources” business group is responsible for enhancing the oil & gas portfolio of the Exploration & Production (“**E&P**”) segment in a sustainable manner, focusing also on energy efficiency activities, projects for forests conservation (REDD+) and projects for the capture, storage and/or utilisation of CO₂ (“**CCS**” or “**CCU**”). In addition to E&P, this business group comprises the wholesale gas and Liquefied Natural Gas (“**LNG**”) businesses. The other business group “Energy Evolution” is responsible for progressing and developing the renewable businesses of generating and selling renewable power and manufacturing and marketing sustainable products obtained from decarbonised industrial processes (blue products) and by biomass (bio-products). This business group includes results of the Refining & Marketing business, chemical business managed by Versalis S.p.A. and its subsidiaries, the new entity Plenitude which combines renewables generation, retail customers, electric vehicle charging and energy services in a unique business model. In addition to these activities, this business group include the results of power generation from thermoelectric plants and the activities of environmental reclamation and requalification implemented by the subsidiary company Eni Rewind S.p.A.

Its principal areas of operations and subsidiaries are described below:

(I) Exploration & Production

Eni's Exploration & Production segment engages in oil and natural gas exploration and field development and

production, as well as in LNG operations, in 42 countries, most notably Italy, Libya, Egypt, Norway, the UK, Angola, Congo, Nigeria, Mexico, the United States, Kazakhstan, Algeria, Iraq, Indonesia, Ghana, Mozambique, Bahrain, Oman and United Arab Emirates. Eni's Exploration & Production segment, also comprises the economics of the forestry projects (REDD+) and projects for CO₂ capture and storage and/or utilisation.

(II) *Global Gas & LNG Portfolio*

Eni's Global Gas & LNG Portfolio engages in the wholesale activity of supplying and selling natural gas via pipeline and LNG, and the international transport activity. It also comprises gas trading activities targeting both hedging and stabilising the Group's commercial margins and optimising the gas asset portfolio. The LNG business includes the purchase and marketing of LNG worldwide, with a large proportion of equity LNG supplies.

(III) *Refining & Marketing and Chemicals*

Eni's Refining & Marketing and Chemicals segment engages in the manufacturing, supply and distribution and marketing activities of oil products and chemical products and in trading activities. The results of operations of the R&M business and of the chemical business have been combined in a single reporting segment because the two businesses exhibit similar characteristics. Oil and products trading activities are designed to perform supply balancing transactions on the market and to stabilise or hedge commercial margins. The R&M business engages in crude oil supply and refining and marketing of petroleum products to the cargo market, to large business accounts (airlines companies, bunker, public administrations, operators of privately-held networks of service stations) and to retail customers through a network of proprietary or leased service stations in Italy and in the rest of Europe. Production of refined products derives from both oil-based refineries and from manufacturing processes based on renewable feedstock. In the Chemical business Eni, through its wholly-owned subsidiary Versalis, engages in the production and marketing of basic petrochemical products, plastics and elastomers. Versalis is developing the business of green chemicals. Activities are concentrated in Italy and in Europe.

(IV) *Plenitude & Power*

Eni's new entity Plenitude combines renewables generation, retail customers, electric vehicle charging

and energy services in a unique business model. In addition to these activities, the business segment Plenitude & Power includes the results of power generation from thermoelectric plants.

(V) Corporate and other activities

This segment includes the main business support functions, in particular holding, central treasury, IT, human resources, real estate services, captive insurance activities, research and development, new technologies, business digitalisation and the environmental activity developed by the subsidiary Eni Rewind S.p.A.

1. For value received, Eni S.p.A. (the “**Issuer**”) promises to pay to the bearer of this Global Note on the Maturity Date the Nominal Amount, together with interest thereon at the rate and at the times (if any) specified herein.

All such payments shall be made in accordance with an issue and paying agency agreement dated 1 March 2022 (as amended, restated or supplemented from time to time, the “**Agency Agreement**”) between, *inter alia*, Eni S.p.A as Issuer and Citibank, N.A., London Branch as Principal Paying Agent and Issue Agent, a copy of which is available for inspection at the office of Citibank, N.A., London Branch (the “**Agent**”) at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB, and subject to and in accordance with the terms and conditions set forth below. All such payments shall be made upon presentation and surrender of this Global Note at the office of the Agent referred to above by transfer to an account denominated in the Specified Currency maintained by the bearer with (i) a bank in the principal financial centre in the country of the Specified Currency or, (ii) if this Global Note is denominated or payable in euro by transfer to a euro account (or any other account to which euro may be credited or transferred) maintained by the payee with, a bank in the principal financial centre of any member state of the European Union.

Notwithstanding the foregoing, presentation and surrender of this Global Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Global Note denominated in U.S. dollars, payments shall be made by transfer to an account denominated in U.S. Dollars in the principal financial centre of any country outside of the United States that the Issuer or Agent so chooses.

2. If this Global Note is not a New Global Note, this Global Note is issued in representation of an issue of Notes in the aggregate Nominal Amount.

If this Global Note is a New Global Note, this Global Note is issued in representation of an issue of Notes in an aggregate nominal amount as from time to time entered in the records of both Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream, Luxembourg**”) and/or any such other securities clearance and/or settlement system which is compliant, as of the Issue Date, with the Market Convention on Short-Term European Paper (“**STEP**”) dated 19 May 2015 and adopted by the ACI - The Financial Markets Association and the European Money Markets Institute (as amended from time to time) and, if this Global Note indicates that it is intended to be held in a manner which would allow Eurosystem eligibility, authorised to hold, and then currently holding, this Global Note as eligible collateral for Eurosystem monetary policy and intra-day credit operations, in each case as agreed between the Issuer and the relevant Dealer(s) (each, a “**Relevant**

Clearing System” and, together with Euroclear and Clearstream, Luxembourg, the “**Relevant Clearing Systems**”). The records of each Relevant Clearing System (which expression in this Global Note means the records that each Relevant Clearing System holds for its customers which reflect the amount of such customers' interests in the Notes (but excluding any interest in any Notes of one Relevant Clearing System shown in the records of another Relevant Clearing System)), shall be conclusive evidence of the principal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a Relevant Clearing System (which statement shall be made available to the bearer upon request) stating the principal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of such Relevant Clearing System at that time.

3. All payments in respect of this Global Note by or on behalf of the Issuer shall be made without set-off, counterclaim, fees, liabilities or similar deductions and free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, assessments or charges of any nature now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the Issuer’s taxing jurisdiction or any political subdivision or taxing authority of or in any of the foregoing (“**Taxes**”), unless the withholding or deduction of Taxes is required by law. In that event, the Issuer shall, to the extent permitted by applicable law or regulation, pay such additional amounts as shall be necessary in order that the net amounts received by the bearer of this Global Note after such deduction or withholding shall equal the amount which would have been receivable hereunder in the absence of such deduction or withholding, except that no such additional amounts shall be payable:
- a) where this Global Note is presented for payment in the Republic of Italy;
 - b) where this Global Note is presented for payment by or on behalf of a holder which is liable to such Taxes by reason of its having some connection with the jurisdiction imposing the Taxes other than the mere holding of this Global Note; or
 - c) where this Global Note is presented for payment more than thirty days after the Maturity Date or, if applicable, the relevant Interest Payment Date or (in either case) the date on which payment hereof is duly provided for, whichever occurs later, except to the extent that the holder would have been entitled to such additional amounts if it had presented this Global Note on the last day of such period of thirty days; or
 - d) where this Global Note is presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement, including but not limited to, a declaration of residence or non-residence, but fails to do so; or
 - e) in relation to any payment or deduction of any interest, principal or other proceeds on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of 1 April 1996 and any related implementing regulations (each as amended or supplemented from time to time); or
 - f) in the event of payment to a non-Italian resident legal entity or a non-Italian resident individual, to the extent that interest or other amounts are paid to a non-Italian resident legal entity or a non-Italian resident individual which is resident in a country which does not allow for a satisfactory exchange of information with the Republic of Italy.

Notwithstanding any other provision of this Global Note, any amounts to be paid on this Global Note by or on behalf of the Issuer will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement

between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

4. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Global Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

“**Payment Business Day**” means any day other than a Saturday or Sunday which is either (i) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland respectively) or (ii) if the Specified Currency is euro, a day which is a TARGET Business Day; and

“**TARGET Business Day**” means a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer (TARGET2) System or any successor thereto, is operating credit or transfer instructions in respect of payments in euro.

Provided that if the Agent determines (upon the written instruction of the Issuer) that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Agent shall procure that a notice of such amendment is published in accordance with paragraph 12 below not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Agent may determine.

5. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.
6. This Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
7. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
 - (a) if one or both of Euroclear and Clearstream, Luxembourg or any other relevant clearing system(s) in which this Global Note is held at the relevant time is closed for business for a continuous period of 14 days or more (other than by reason of weekends or public holidays, statutory or otherwise) or if any such clearing system announces an intention to, or does in fact, permanently cease to do business; or
 - (b) if default is made in the payment of any amount payable in respect of this Global Note.

Upon presentation and surrender of this Global Note during normal business hours to the Issuer at the offices of the Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer), the Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

8. If, upon any such event and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (London time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under a Deed of Covenant dated 1 March 2022 (as amended, restated or supplemented as of the Issue Date) entered into by the Issuer).
9. If this is an interest bearing Global Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the Maturity Date remains unpaid on the fifteenth day after falling so due, the Nominal Amount shall be payable on such fifteenth day;
 - (b) (i) if this Global Note is not a New Global Note, upon each payment of interest (if any) prior to the Maturity Date in respect of this Global Note, the Schedule hereto shall be duly completed by the Agent to reflect such payment; or (ii) if this Global Note is a New Global Note, upon each payment of interest (if any) prior to the Maturity Date in respect of this Global Note details of such payment shall be entered pro rata in the records of the Relevant Clearing Systems;
 - (c) payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligation in respect thereof. Any failure to make the entries referred to in paragraph 9(b) shall not affect such discharge; and
 - (d) if no Interest Payment Dates are specified on this Global Note, the Interest Payment Date shall be the Maturity Date.
10. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
 - (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an "**Interest Period**" for the purposes of this paragraph.
11. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:

- (a) in the case of a Global Note which specifies GBP-SONIA as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SONIA Floating Rate and the Margin (if any) above or below the SONIA Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

“**SONIA Floating Rate**” means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SONIA Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SONIA, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for GBP-SONIA in the Compounding/Averaging Matrix; and

“**SONIA Interest Determination Date**” means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period; and

- (b) in the case of a Global Note which specifies USD-SOFR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SOFR Floating Rate and the Margin (if any) above or below the SOFR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

“**SOFR Floating Rate**” means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SOFR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SOFR, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for USD-SOFR in the Compounding/Averaging Matrix; and

“**SOFR Interest Determination Date**” means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period;

- (c) in the case of a Global Note which specifies EUR-EuroSTR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the ESTR Floating Rate and the Margin (if any) above or below the ESTR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

“**ESTR Floating Rate**” means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant ESTR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is EuroSTR, and the resulting percentage is rounded in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for EUR-EuroSTR in the Compounding/Averaging Matrix; and

“**ESTR Interest Determination Date**” means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period; and

- (d) in the case of a Global Note which specifies EUR-EURIBOR as the Floating Rate Option on its face, the Rate of Interest will be the aggregate of EURIBOR and the Margin (if any) above or below EURIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

“**EURIBOR**” shall be equal to EUR-EURIBOR determined in accordance with the 2021 ISDA Definitions as if:

- (i) the Reset Date was the first day of the relevant Interest Period; and
- (ii) the Designated Maturity was the number of months specified on the face of this Global Note,

provided that where a Temporary Non-Publication Trigger occurs in respect of EUR-EURIBOR, the Temporary Non-Publication Fallback for EUR-EURIBOR set out in the Floating Rate Matrix shall be amended such that the reference to “Calculation Agent Alternative Rate Determination” shall be replaced by “Temporary Non-Publication Fallback - Previous Day's Rate”; and

“**EURIBOR Interest Determination Date**” means the Fixing Day;

- (e) the Calculation Agent will, as soon as practicable on each SONIA Interest Determination Date, SOFR Interest Determination Date, ESTR Interest Determination Date or EURIBOR Interest Determination Date, as the case may be, determine the Rate of Interest and calculate the amount of interest payable (the “**Amount of Interest**”) for the relevant Interest Period. “**Rate of Interest**” means the rate which is determined in accordance with the provisions of paragraph 11 (a), (b), (c) or (d) (as the case may be). The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the applicable Floating Rate Date Count Fraction in respect of the relevant Floating Rate Option specified in the Floating Rate Matrix or, if the Floating Rate Option is EUR-EURIBOR, by the actual number of days in the Interest Period divided by 360 and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);
- (f) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an “**Interest Period**” for the purposes of this paragraph; and
- (g) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published in accordance with paragraph 12 as soon as practicable after the determination of the Rate of Interest.

Any such notice shall be deemed to have been given on the date of such delivery or publication.

In the event of a payment of principal being improperly withheld or refused, the late payment interest rate (“*taux des intérêts moratoires*”) will be equal to the Interest Rate and apply from the Maturity Date until the day on which all sums due in respect of EFI Notes up to that day are received by or on behalf of the relevant holder of EFI Notes.

For the purposes of the above, “**TARGET Business Day**” means a day on which the Trans- European Automated Real-time Gross Settlement Express Transfer (known as TARGET2) System, which utilises a single shared platform and which was launched on 19 November 2007 or any successor thereto, is operating credit or transfer instructions in respect of payments in euro (the “**TARGET System**”).

In that event, the Issuer or as the case may be, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts receivable by the holder after such withholding or deduction shall equal the respective amounts which would have been receivable by such holder in the absence of such withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of EFI Notes or the Guarantee:

- (a) to, or to a third party on behalf of, a holder who is (i) entitled to avoid such deduction or withholding by making a declaration of non-residence or other similar claim for exemption, or (ii) liable to such taxes, duties, assessments or governmental charges in respect of EFI Notes by reason of his having some connection with the Kingdom of Belgium or the Republic of Italy other than by reason of (a) the mere holding of or (b) the receipt of principal, interest or other amount in respect of EFI Notes; or
- (b) in respect of any demand for payment made more than thirty days after the Relevant Date (as defined below), except to the extent that the relevant holder would have been entitled to such additional amounts on making such demand on or before the expiry of such period of thirty days; or

- (c) to, or to a third party on behalf of, a holder who, at the time of issue of the Notes, was not an eligible investor within the meaning of Article 4 of the *Arrêté Royal du 26 mai 1994 relatif à la perception et à la bonification du précompte mobilier conformément au chapitre Ier de la loi du 6 août 1993 relative aux opérations sur certaines valeurs mobilières conformément au chapitre Ier de la loi du 6 août 1993 relative aux opérations sur certaines valeurs mobilières/ Koninklijk besluit van 26 mei 1994 over de inhouding en de vergoeding van de roerende voorheffing overeenkomstig hoofdstuk I van de wet van 6 augustus 1993 betreffende de transacties met bepaalde effecten* (the Belgian Royal Decree of 26 May 1994 on the collection and indemnification of withholding tax in accordance with chapter I of the Law of 6 August 1993 on transactions in certain securities) or to a holder who was such an eligible investor at the time of issue of the Notes but, for reasons within the holder’s control, ceased to be an eligible investor or, at any relevant time on or after the issue of the Notes, otherwise failed to meet any other condition for the exemption of Belgian withholding tax pursuant to the law of 6 August 1993 relating to certain securities; or

9.2 For the purposes of paragraph 9.1(b) above the “**Relevant Date**” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Paying Agent on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to holders, notice to that effect shall have been duly given to the holders of EFI Notes.

Notwithstanding any other provision of the Terms and Conditions, any amounts to be paid on the Notes by or on behalf of the Issuer will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

- 10** EFI Notes will be direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* and equally with all other direct, unconditional, unsubordinated and unsecured indebtedness of the Issuer in respect of moneys borrowed.
- 11** EFI Notes will be governed by, and shall be construed in accordance with, Belgian law.

- 12 EFI Notes will be issued in dematerialised form and cannot be converted into registered form or bearer form. Ownership of the EFI Notes will be evidenced by the book-entries in the investor's account with a direct or indirect participant in the NBB Securities Settlement System.

- 15 As long as EFI Notes shall be held in, or on behalf of, the NBB Securities Settlement System, these provisions shall be supplemented and/or superseded to the extent necessary by the relevant provisions of the Clearing Services Agreement, the applicable settlement regulations, including the Belgian law of 6 August 1993 on transactions in certain securities, its implementing Belgian Royal Decrees of 26 May 1994 and 14 June 1994 and the rules of the NBB Securities Settlement System and its annexes, as issued or modified by the NBB from time to time and any applicable provisions of Belgian law and regulation.
- 16 The courts of Brussels, Kingdom of Belgium are to have jurisdiction to settle any disputes that may arise out of or in connection with EFI Notes and accordingly any legal action or proceedings arising out of or in connection with EFI Notes (“**Proceedings**”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of the holder and shall not affect any such holder's right to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- 17 The Issuer reserves the right to redeem any EFI Note held by an investor that is not or ceases to be a Qualifying Investor, provided that prior to such redemption the Issuer shall have delivered to the Domiciliary Agent and the Paying Agent a certificate signed by a duly authorised officer of the Issuer stating that the Issuer is entitled to effect such a redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

CLEARING OF EFI NOTES

EFI Notes are treasury notes (*billets de trésorie/thesaurie bewijzen*) issued in dematerialised form. Their ownership is represented by book-entries in securities accounts maintained with the NBB Securities Settlement System itself or with participants or sub-participants in such system which are licensed for the purposes of maintaining such securities accounts. The EFI Notes can be held by their holders through participants in the NBB Securities Settlement System, including Euroclear, Clearstream Banking AG, SIX SIS, Monte Titoli, Euroclear France, Interbolsa or other participants in the NBB Securities Settlement System whose membership extends to securities such as the Notes (each a "**Participant**") or through other financial intermediaries which in turn hold the Notes through any Participant.)

The NBB Securities Settlement System maintains securities accounts in the name of authorised participants only. Holders of EFI Notes, other than authorised participants, therefore, will normally not hold their EFI Notes directly at the NBB, but will hold them in a securities account with a financial institution which is a participant in the NBB Securities Settlement System, or which holds them through another financial institution which is such a participant. The Belgian Law of 2 January 1991 as amended regulates this system, and contains provisions to protect holders of EFI Notes, including without limitation, in the event of the insolvency of a financial institution through which EFI Notes are held in the system. In such case, the EFI Notes should be returned to the respective holders, should not become part of the insolvent financial institution's assets, and should not be available to the creditors of such financial institution.

Investors can hold EFI Notes in securities accounts in NBB Participants. EFI Notes may be ultimately held by Euroclear and Clearstream, Frankfurt in the NBB Securities Settlement System and will in such case be held and cleared in Euroclear and Clearstream, Frankfurt in accordance with the usual procedures. Investors which are not eligible for holding "X-accounts" (see the "*Belgian Taxation*" section on page 60 of this Information Memorandum), however, must hold their EFI Notes through a financial institution which is a participant in the NBB Securities Settlement System and which will be responsible for the withholding of tax.

The NBB Securities Settlement System offers a "delivery versus payment" settlement service in respect of EFI Notes denominated in Euro. In the case of EFI Notes denominated in other currencies, as at the date of this Information Memorandum this service is not provided by the NBB Securities Settlement System and settlements of trades are to take place outside the NBB Securities Settlement System, through Euroclear and/or Clearstream, Frankfurt. Similarly, payments of interest and principal owing under EFI Notes denominated in euro, and if specifically agreed upon with the NBB, EFI Notes denominated in other currencies, will be made through the NBB Securities Settlement System.

Payments made by the Issuer in accordance with the EFI Notes to the NBB, will discharge the Issuer's obligation thereof.

The NBB Securities Settlement System, Euroclear and Clearstream, Frankfurt operate under the responsibility of their respective operators. EFI and the Domiciliary Agent and Paying Agent shall have no responsibility in this respect.

ITALIAN TAXATION

The following is a summary of certain Italian tax consequences of the purchase, ownership and disposition of the Notes. It is an overview only and does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes. The following summary does not describe the tax treatment of securities held in connection with a permanent establishment or fixed basis through which a holder carries on business or a profession in the Republic of Italy.

The summary is based on Italian tax laws and practice as in force as at the date of this Information Memorandum, which are subject to change, potentially with retrospective effect.

Prospective investors in the Notes should consult their own tax advisers as to the Italian and other tax consequences prior to the purchase, ownership and disposal of the Notes.

Interest

Interest, premium and other income (including the difference between the redemption amount and the issue price) (hereinafter collectively referred to as “**Interest**”) received outside the conduct of a business activity is deemed to be received for Italian tax purposes at each interest payment date (in the amount actually paid) and also when it is implicitly included in the selling price of the Notes.

Interest received by Italian resident companies, commercial partnerships or individual entrepreneurs within the context of a business enterprise is taxable on an accrual basis.

Interest on the Eni Notes

Interest on the Eni Notes received by Italian resident companies, commercial partnerships or individual entrepreneurs within the context of a business enterprise is included in the taxable base for the purposes of corporate income tax (*imposta sul reddito delle società*, “**IRES**”), currently at 24 per cent. (increased by a 3.5 per cent. surtax applied to banks and other financial intermediaries), and individual income tax (*imposta sul reddito delle persone fisiche*, “**IRPEF**”, at progressive rates) and – under certain circumstances – of the regional tax on productive activities (*imposta regionale sulle attività produttive*, “**IRAP**”, at the generally applicable rate of 3.9 per cent.; banks or other financial institutions and insurance companies will be subject to IRAP at the special rate of 4.65 per cent. and 5.9 per cent. respectively; regions may vary the IRAP rate of up to 0.92 per cent.). Interest on the Eni Notes that are not deposited with an authorised intermediary, received by the above persons is subject to a 26 per cent. substitute tax levied as provisional tax.

Interest on the Eni Notes is subject to a 26 per cent. substitute tax if the recipient is included among the following categories of Italian residents: (a) individuals holding the Eni Notes not in connection with entrepreneurial activity (unless they have entrusted the management of the Notes to an authorised intermediary and have opted for the asset management regime (“*risparmio gestito*” regime) according to Article 7 of Italian Legislative Decree No. 461 of 21 November 1997, as amended (“**Decree No. 461**”), (b) non-commercial partnerships, (c) private or public institutions not carrying out mainly or exclusively commercial activities or (d) investors that are exempt from IRES. Where the resident holders of the Eni Notes described above under (a) and (c) are engaged in an entrepreneurial activity to which the Notes are connected, the 26 per cent. substitute tax is applied as a provisional income tax and may be deducted from the taxation on income due.

Subject to certain limitations and requirements (including a minimum holding period), Italian resident individuals not acting in connection with an entrepreneurial activity may be exempt from any income taxation, including the *imposta sostitutiva*, on Interest if the Eni Notes are included in a long-term savings account (*piano individuale di risparmio a lungo termine*) that meets the requirements set forth in Article 1, paragraphs 100-114 of Law No. 232 of 11 December 2016 (“**Law No. 232**”), and Article 1, paragraphs 211-215, of Law No. 145 of 30 December 2018 (“**Law No. 145**”), Article 13-bis of Law Decree No. 124 of 26 October 2019 (“**Law Decree No. 124**”) and in Article 136 of Law Decree No. 34 of 19 May 2020 (“**Decree No. 34/2020**”), as amended and applicable from time to time.

Italian resident individuals holding the Eni Notes not in connection with entrepreneurial activity who have opted for the asset management regime are subject to a 26 per cent. annual substitute tax on the increase in value of the managed assets (which increase would include Interest accrued on the Notes) accrued at the end of each tax year (the “**Asset Management Tax**”).

Interest accrued on the Eni Notes held by Italian investment funds, foreign open-ended investment funds authorised to market their securities in Italy pursuant to the law decree 6 June 1956 no. 476. converted into law 25 July 1956 no. 786 (the “Funds” and each a “Fund”), and *società di investimento a capitale variabile* (“SICAV”) is not subject to such substitute tax but is included in the management result of the Fund or SICAV. The Fund or SICAV will not be subject to tax on such result, but a withholding tax of 26 per cent. may apply on income of the Fund or SICAV derived by unitholders or shareholders through distribution and/or upon redemption or disposal of the units and shares.

Interest on the Eni Notes held by Italian real estate funds to which the provisions of Law Decree No. 351 of 25 September 2001, as subsequently amended, apply, or a SICAF, is not subject to any substitute tax nor to any other income tax in the hands of the fund or SICAF. The income of the real estate fund or SICAF may be subject to tax, in the hands of the unitholder, depending on status and percentage of participation, or, when earned by the fund, through distribution and/or upon redemption or disposal of the units.

Interest on the Eni Notes held by Italian pension funds (subject to the regime provided for by Article 17 of the Italian Legislative Decree No. 252 of 5 December 2005) and deposited with an authorised intermediary, will not be subject to substitute tax, but must be included in the aggregate income of the pension funds which is subject to a substitute tax at the rate of 20 per cent on the increase in value of the managed assets accrued at the end of each tax year (which increase would include Interest accrued on the Eni Notes). Subject to certain limitations and requirements (including a minimum holding period), Interest in respect to the Eni Notes may be excluded from the taxable base of 20 per cent. substitute tax pursuant to Article 1, paragraph 92, of Law No. 232, if the Eni Notes are included in a long-term savings account (*piano individuale di risparmio a lungo termine*) pursuant to Article 1, paragraphs 100 – 114, of Law No. 232 and to Article 1, paragraphs 210 – 215, of the Law No. 145, Article 13-bis of Law Decree No. 124 and Article 136 of Decree No. 34/2020, as amended and applicable from time to time.

Non-resident holders are not subject to the 26 per cent. substitute tax on Interest in respect of the Eni Notes according to Article 6, paragraph 1, of Legislative Decree No. 239 of 1 April 1996, *provided that*:

- (a) they are (i) resident in a country which allows for an adequate exchange of information with Italy (the “White List States”) or, in the case of institutional investors not subject to tax, they are established in such a country, (ii) supranational entities set up in accordance with an international treaty executed by Italy, or (iii) central banks or other authorities engaged in the management of the official reserves (of a foreign State);
- (b) the Eni Notes are deposited directly or indirectly (i) with a bank, fiduciary company, “*società di intermediazione mobiliare*” (so-called “SIM”) and other qualified entities resident in Italy, (ii) with the Italian permanent establishment of a non-resident bank or brokerage company which is electronically connected with the Italian Ministry of Finance, or (iii) with a non-resident entity or company which has an account with a centralised clearance system (such as Euroclear or Clearstream Banking, S.A.) which is in contact via computer with the Italian Ministry of Economy and Finance;
- (c) the banks or brokers mentioned in (b)(ii) above receive a self-declaration from the beneficial owner, which states that the beneficial owner is a resident of a White List State. The declaration, which must be in conformity with the form approved by ministerial decree 12 December 2001, is valid until it is revoked. The self-declaration is not required for non-Italian resident investors that are international entities and organisations established in accordance with international agreements ratified in Italy and Central Banks or entities which manage, *inter alia*, the official reserves of a foreign state; and
- (d) the banks or brokers mentioned above receive all necessary information to identify the non- resident beneficial owner of the deposited Notes, and all the necessary information in order to determine the amount of Interest that such beneficial owner is entitled to receive.

Non-resident holders are subject to the 26 per cent. substitute tax on Interest if any of the above conditions (a), (b), (c) or (d) is not satisfied.

White List States are identified by Ministerial Decree of 4 September 1996, as amended and supplemented from time to time.

Non-resident holders of the Eni Notes who are subject to substitute tax might, nevertheless, be eligible for a total or partial relief under an applicable tax treaty between his or her country of residence and the Republic of Italy.

Interest on the EFI Notes

Interest on the EFI Notes received by Italian resident companies, commercial partnerships or individual entrepreneurs holding the EFI Notes in connection with entrepreneurial activity is included in the taxable base for the purposes of IRES, IRPEF and at the rates and in the circumstances outlined in section “Interest on the Eni Notes” above.

Interest on the EFI Notes is subject to a 26 per cent. substitute tax if it is received by recipients who are included among the following categories of Italian residents: (a) individuals holding the Eni Notes not in connection with entrepreneurial activity (unless they have entrusted the management of the Notes to an authorised intermediary and have opted for the asset management regime according to Article 7 of Decree No. 461), (b) non-commercial partnerships, (c) private or public institutions not carrying out mainly or exclusively commercial activities, or (d) investors that are exempt from IRES. Where the resident holders of the EFI Notes described above under (a) and (c) are engaged in an entrepreneurial activity to which the Notes are connected, the 26 per cent. substitute tax applies as a provisional income tax and may be recovered as deduction from Italian income tax due.

Subject to certain limitations and requirements (including a minimum holding period), Italian resident individuals not acting in connection with an entrepreneurial activity may be exempt from any income taxation, including the *imposta sostitutiva*, on Interest if the EFI Notes are included in a long-term savings account (*piano individuale di risparmio a lungo termine*) that meets the requirements set forth in Article 1, paragraph 100-114 of Law No. 232 and Article 1, paragraphs 210 – 215, of the Law No. 145, Article 13-bis of Law Decree No. 124 and in Article 136 of Decree No. 34/2020, as amended and applicable from time to time.

Interest accrued on the EFI Notes held by Funds and SICAVs is not subject to such substitute tax but is included in the management result of the Fund or SICAV. The Fund or SICAV will not be subject to taxation on such results, but a withholding tax of 26 per cent. may apply on income of the Fund or SICAV derived by unitholders or shareholders through distribution and/or redemption or disposal of the units and shares.

Interest on the EFI Notes held by Italian pension funds (subject to the regime provided for by Article 17 of the Italian Legislative Decree No. 252 of 5 December 2005) and deposited with an authorised intermediary is not subject to substitute tax but is included in the aggregate income of the pension funds which is subject to a substitute tax at the rate of 20 per cent. on the increase in value of the managed assets accrued at the end of each tax year (which increase would include Interest accrued on the EFI Notes). Subject to certain limitations and requirements (including a minimum holding period), Interest in respect to the EFI Notes may be excluded from the taxable base of 20 per cent. substitute tax pursuant to Article 1, paragraph 92, of Law No. 232, if the EFI Notes are included in a long-term savings account (*piano individuale di risparmio a lungo termine*) pursuant to Article 1, paragraphs 100 – 114, of Law No. 232 and to Article 1, paragraphs 210 – 215, of the Law No. 145, Article 13-bis of Law Decree No. 124 and Article 136 of Decree No. 34/2020, as amended and applicable from time to time.

Interest on the EFI Notes held by Italian real estate funds or SICAF is not subject to tax in the hands of the fund or SICAF. The income of the fund or SICAF may be subject to tax, in the hands of the unitholder, depending on status and percentage of participation, or, when earned by the fund, through distribution and/or upon redemption or disposal of the units.

Interest on the EFI Notes received by non-Italian resident beneficial owners is not subject to taxation in Italy.

If Notes issued by EFI and beneficially owned by non-Italian residents are deposited with an Italian bank or other resident intermediary (or permanent establishment in Italy of foreign intermediary) or are sold through an Italian intermediary (or permanent establishment in Italy of foreign intermediary) or in any case an Italian

resident Intermediary (or permanent establishment in Italy of foreign Intermediary) intervenes in the payment of Interest on such EFI Notes, to ensure payment of Interest without application of Italian taxation a non-Italian resident Noteholder may be required to produce to the Italian bank or other intermediary a self-statement stating that he or she is not resident in Italy for tax purposes

Capital Gains

A 26 per cent. substitute tax is applicable on capital gains realised on the disposal of Notes by Noteholders included among the following categories of Italian residents: (a) individuals holding the Notes not in connection with entrepreneurial activity (unless they have entrusted the management of the Notes to an authorised intermediary and have opted for the asset management regime (“*regime del risparmio gestito*”) according to Article 7 of Decree No. 461), (b) non-commercial partnerships, (c) private or public institutions not carrying out mainly or exclusively commercial activities or (d) investors that are exempt from IRES.

Subject to certain limitations and requirements (including a minimum holding period), capital gains in respect of Notes realised upon sale, transfer or redemption by Italian resident individuals holding the Notes not in connection with an entrepreneurial activity may be exempt from taxation, including the 26 per cent. *imposta sostitutiva*, if the Notes are included in a long-term individual savings account (*piano individuale di risparmio a lungo termine*) pursuant to Article 1, paragraph 100 – 114, of Law No. 232 and to Article 1, paragraphs 210 – 215, of the Law No. 145, Article 13-bis of Law Decree No. 124 and in Article 136 of Decree No. 34/2020, as amended and applicable from time to time.

Italian resident companies, commercial partnerships or individual entrepreneurs holding the Notes in connection with entrepreneurial activity are subject to two different tax regimes on capital gains arising on the disposal of Notes. If the Notes are accounted for as a fixed asset in the balance sheet of the investors, the gains will form part of the aggregate income subject to IRES. The gains are calculated as the difference between the acquisition cost and the sale price. The gains may be taxed in equal instalments over five fiscal years if the Notes have been accounted for as fixed assets in the balance sheets relating to the three tax years preceding the tax year during which the disposal is effected. If the Notes are accounted for as stock-in-trade, corporate investors will be subject to IRES on an amount calculated with reference to the sale price and the variation of the stock. In this case, banks or other financial institutions and insurance companies will be subject to IRAP at the special rate of 4.65 per cent. and 5.90 per cent. respectively (regions may vary the IRAP rate of up to 0.92 per cent.).

Capital gains realised on the Notes held by Funds and SICAV are not subject to such substitute tax but are included in the management result of the Fund or SICAV. The Fund or SICAV will not be subject to tax on such result, but a withholding tax of 26 per cent. may apply on income of the Fund or SICAV derived by unitholders or shareholders through distribution and/or upon redemption or disposal of the units and shares.

Capital gains on the Notes held by real estate funds to which the provisions of Law Decree No. 1 of 25 September 2001, as subsequently amended, apply, and SICAF, are not subject to any substitute tax nor to any other income tax in the hands of the fund or SICAF. The income of the fund or SICAF may be subject to tax, in the hands of the unitholder, depending on status and percentage of participation, or, when earned by the fund, through distribution and/or upon redemption or disposal of the units.

Capital gains on the Notes held by Italian resident pension funds (subject to the regime provided for by article 17 of the Italian Legislative Decree No. 252 of 5 December 2005) and deposited with an authorised intermediary will not be subject to a 26 per cent. substitute tax, but must be included in the aggregate income of the pension funds which is subject to a substitute tax at the rate of 20 per cent. on the increase in value of the managed assets accrued at the end of each tax year (which increase would include Interest accrued on the Notes). Subject to certain limitations and requirements (including a minimum holding period), capital gains realised in respect to the Notes may be excluded from the taxable base of the 20 per cent. substitute tax pursuant to Article 1, paragraph 92, of Law No. 232, if the Notes are included in a long-term savings account (*piano individuale di risparmio a lungo termine*) pursuant to Article 1, paragraphs 100 – 114, of Law No. 232 and to Article 1, paragraphs 210 – 215, of Law No. 145, Article 13-bis of Law Decree No. 124 and in Article 136 of Decree No. 34/2020, as amended and applicable from time to time.

Capital gains realised by non-residents without a permanent establishment in Italy to which the Notes are effectively connected from the sale or redemption of the Notes are in principle subject to a 26 per cent. tax. However, such gains are exempt from tax in Italy if:

- (a) the Notes are listed on a regulated market;
- (b) the Notes are not listed on a regulated market but the Noteholder is entitled to the exemption from the 26 per cent. substitute tax on Interest pursuant to Article 5(5) of Decree No. 461, *provided that* the condition provided under Article 6, paragraph 1, of Legislative Decree No. 239 of 1 April 1996 are satisfied (i.e. the beneficial owner of the income is resident or established in a White List State or is a supranational entity set up in accordance with an international treaty executed by Italy or a central banks or other authority engaged in the management of the official reserves of a foreign State; or
- (c) the Noteholder may benefit from a double tax treaty with Italy providing that capital gains realised upon the sale or redemption of the Notes are to be taxed only in the country of tax residence of the recipient.

Under these circumstances, if non Italian residents without a permanent establishment in Italy to which the Notes are effectively connected elect for the asset management regime or are subject to the administered savings regime, exemption from Italian capital gains tax will apply upon condition that they promptly file with the Italian authorised financial intermediary a self-statement attesting that all the requirements for the application of the relevant double taxation treaty are met.

Payments under the Guarantee

There is no direct authority on the point regarding the Italian tax regime of payments made by Eni under the guarantee. Accordingly, there can be no assurance that the Italian revenue authorities will not assert an alternative treatment of such payments than that set forth herein or that the Italian court would not sustain such an alternative treatment.

With respect to payments made to certain Italian resident Noteholders by Eni as a Guarantor in respect of the Notes, in accordance with one interpretation of Italian tax law, any such payments may be subject to Italian withholding tax at the rate of 26 per cent., levied as provisional tax, pursuant to Presidential Decree No. 600 of 29 September 1973, as amended. Double taxation conventions entered into by Italy may apply allowing for a lower (or in certain cases nil) rate of withholding tax in case of payments to non-Italian residents.

In accordance with another interpretation, any such payment made by Eni as a Guarantor should be treated, in certain circumstances, as a payment by the issuer and made subject to the tax treatment described under section “Interest on the EFI Notes” above.

Eni will not be liable to pay any additional amounts to Noteholders under the Guarantee in relation to any such withholding tax if such tax were to apply to any amounts payable in respect of EFI Notes. Eni will not be liable to pay any amount in relation to stamp duty payable on transfers of any Notes within the Republic of Italy

Transfer Tax

Under certain circumstances, the transfer deed may be subject to registration tax at the euro 200.00 flat rate.

Inheritance and Gift Tax

Pursuant to Law Decree No. 262 of 3 October 2006, converted with amendments by Law No. 286 of 24 November 2006 effective from 29 November 2006, and Law No. 296 of 27 December 2006, the transfer of any valuable assets (including the Notes) as a result of death or donation (or other transfers for no consideration) and the creation of liens on such assets for a specific purpose are taxed as follows:

- (a) 4 per cent. if the transfer is made to spouses and direct descendants or ancestors; in this case, the transfer is subject to tax on the value exceeding euro 1,000,000 (per beneficiary);
- (b) 6 per cent. if the transfer is made to brothers and sisters; in this case, the transfer is subject to the tax on the value exceeding euro 100,000 (per beneficiary);

- (c) 6 per cent. if the transfer is made to relatives up to the fourth degree, to persons related by direct affinity as well as to persons related by collateral affinity up to the third degree;
- (d) 8 per cent. in all other cases.

If the transfer is made in favour of persons with severe disabilities, the tax applies on the value exceeding euro 1,500,000.

Moreover, an anti-avoidance rule is provided by Law No. 383 of 18 October 2001 for any gift of assets (such as the Notes) which, if sold for consideration, would give rise to capital gains subject to the *imposta sostitutiva* provided for by Legislative Decree No. 461 of 21 November 1997. In particular, if the donee sells the Notes for consideration within five years from the receipt thereof as a gift, the donee is required to pay the relevant *imposta sostitutiva* on capital gains as if the gift has never taken place.

The *mortis causa* transfer of financial instruments (such as the Notes) included in a long-term savings account (*piano individuale di risparmio a lungo termine*), that meets the requirements set forth in Article 1, paragraphs 100 - 114 of Law No. 232 and Article 1, paragraphs 211 – 215 of Law No. 145, are exempt from inheritance taxes, Article 13-bis of Law Decree No. 124 and in Article 136 of Decree No. 34/2020, as amended and applicable from time to time, are exempt from inheritance taxes.

Stamp duty

According to Article 19(1) of Decree No. 201 of 6 December 2011 (“**Decree No. 201/2011**”), a proportional stamp duty applies on an annual basis to any periodic reporting communications which may be sent by a financial intermediary to their clients in respect of any Notes which may be deposited with such financial intermediary in Italy. The stamp duty applies at a rate of 0.2 per cent. and it cannot exceed €14,000 for taxpayers which are not individuals. This stamp duty is determined on the basis of the market value or — if no market value figure is available — the nominal value or redemption amount of the Notes.

The statement is considered to be sent at least once a year, even for instruments for which is not mandatory nor the deposit nor the release or the drafting of the statement. In case of reporting periods of less than 12 months, the stamp duty is payable on a pro-rata basis.

Based on the wording of the law and the implementing decree issued by the Italian Ministry of Economy on 24 May 2012, the stamp duty applies to any investor who is a client (as defined in the regulations issued by the Bank of Italy on 9 February 2011) of an entity that exercises in any form a banking, financial or insurance activity within the Italian territory.

Wealth tax on financial assets deposited abroad

According to Article 19 of Decree No. 201/2011, Italian resident individuals holding financial assets — including the Notes — outside of the Italian territory are required to pay a wealth tax at the rate of 0.2 per cent. This tax is calculated on the market value at the end of the relevant year or — if no market value figure is available — on the nominal value or redemption value, or in the case the nominal or redemption values cannot be determined, on the purchase value of any financial asset (including the Notes) held outside of the Italian territory.

Tax monitoring obligations

Pursuant to Law Decree No. 167 of 28 June 1990, converted by Law No. 227 of 4 August 1990, as amended by Law No. 97 of 6 August 2013 and subsequently amended by Law No. 50 of 28 March 2014, individuals, non-profit entities and certain partnerships (*società semplici* or similar partnerships in accordance with Article 5 of Presidential Decree No. 917 of 22 December 1986) resident in Italy who hold investments abroad or have financial activities abroad must, in certain circumstances, disclose the aforesaid and related transactions to the Italian tax authorities in their income tax return (or, in case the income tax return is not due, in a proper form that must be filed within the same time as prescribed for the income tax return). The requirement applies also where the persons above, being not the direct holder of the financial instruments, are the actual owner of the instrument.

Furthermore, the above reporting requirement is not required to comply with respect to Notes deposited for management with qualified Italian financial intermediaries, with respect to contracts entered into through their intervention, upon condition that the items of income derived from the Notes have been subject to tax by the same intermediaries and with respect to foreign investments which are only composed by deposits and/or bank accounts when their aggregate value never exceeds a euro 15,000 threshold throughout the year.

BELGIAN TAXATION

The following is a general description of the principal Belgian tax consequences of the purchase, ownership and disposition of EFI Notes, and does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to purchase, own or dispose of EFI Notes. The following summary does not describe the tax treatment of securities held by tax resident individuals of Belgium or in connection with a permanent establishment or fixed basis through which a holder carries on business or a profession in the Kingdom of Belgium.

The overview is based on Belgian tax laws and practice in effect on the date of this Information Memorandum, which are subject to change, potentially with retrospective effect. Potential investors in EFI Notes should consult their own tax advisers as to the Belgian and other tax consequences prior to the purchase, ownership and disposal of EFI Notes including, in particular, the effect of any state, or local tax laws.

Withholding Tax

Withholding tax will be applicable to EFI Notes at the rate of 30 per cent., subject to such relief as may be available under applicable domestic law or tax treaty provisions. In this respect, “interest” includes (i) periodic interest income, (ii) any amount paid by the Issuer in excess of the issue price (whether or not on the maturity date) and, (iii) if the EFI Notes qualify as “fixed income securities” (in the meaning of article 2, §1, 8° Belgian Income Tax Code), in the case of a realisation of the EFI Notes between two interest payment dates, the pro rata of accrued interest corresponding to the detention period.

However, all payments by or on behalf of EFI of principal and interest on EFI Notes may be made without deduction of withholding tax for Notes held by certain eligible investors (the “**Eligible Investors**”) in an exempt securities account (an “**Exempt Account**” or “**X-Account**”) with the NBB Securities Settlement System or with a participant in such system (a “**Participant**”);

Eligible Investors are those entities referred to in Article 4 of the *Arrêté Royal du 26 mai 1994 relatif à la perception et à la bonification du précompte mobilier conformément au chapitre Ier de la loi du 6 août 1993 relative aux opérations sur certaines valeurs mobilières/Koninklijk besluit van 26 mei 1994 over de inhouding en de vergoeding van de roerende voorheffing overeenkomstig hoofdstuk I van de wet van 6 augustus 1993 betreffende de transacties met bepaalde effecten* (Belgian Royal Decree of 26 May 1994 on the collection and indemnification of withholding tax in accordance with chapter I of the Law of 6 August 1993 on transactions in certain securities) which include, *inter alia*:

- (i) Belgian corporations subject to Belgian corporate income tax as referred to in article 2, §1, 5° b of the Income Tax Code 1992;
- (ii) institutions, associations or companies specified in article 2, §3 of the previous law of 9 July 1975 on the control of insurance companies other than those referred to in (i) and (iii) without prejudice to the application of article 262, 1° and 5° of the Income Tax Code 1992;
- (iii) state regulated institutions (*institutions parastatales/parastatalen*) for social security, or institutions which are assimilated therewith provided for in article 105, 2° of the Royal Decree implementing the Income Tax Code 1992;
- (iv) non-resident savers provided for in article 105, 5° of the same Decree;
- (v) investment funds recognised in the framework of pension savings provided for in article 115 of the same Decree;
- (vi) tax payers provided for in article 227, 2° of the Income Tax Code 1992 which have used the income generating capital for the exercise of their professional activities in Belgium and which are subject to non-resident income tax pursuant to article 233 of the same Code;
- (vii) the Belgian State, in respect of investments which are exempt from withholding tax in accordance with article 265 of the Income Tax Code 1992;

- (viii) investment funds governed by foreign law which are an indivisible estate managed by a management company for the account of the participants, provided the fund units are not offered publicly in Belgium nor traded in Belgium; and
- (ix) Belgian resident corporations not provided for under (i) when their activities exclusively or principally consist of the granting of credits and loans.

Eligible Investors do not include, *inter alia*:

- private individuals resident in Belgium for tax purposes;
- non-profit making organisations other than those mentioned under (ii) or (iii) above;
- non-incorporated Belgian collective investment schemes (*fonds de placements/beleggingsfondsen*) and similar foreign funds whose units are publicly offered or marketed in Belgium.

If the holder of the EFI Notes does not belong to, or ceases to belong to, one of the categories listed in article 4 of the Royal Decree of 26 May 1994, as amended, its account with the NBB Securities Settlement System will be designated as a non-exempted account (“N-account”), and, therefore, the holder of the EFI Notes will be submitted to the withholding tax, the rate of which is currently 30%.

Upon opening of an Exempt Account with the NBB Securities Settlement System or with a Participant, an Eligible Investor is required to provide a statement of its eligible status on a form approved by the Belgian Minister of Finance. There are no ongoing declaration requirements for Eligible Investors, save that they need to inform the Participants of any changes to the information contained in the statement of their tax eligible status. However, Participants are required to make annual declarations to the NBB Securities Settlement System as to the eligible status of each investor for whom they have held EFI Notes in an Exempt Account during the preceding calendar year. An Exempt Account may be opened with a Participant by an intermediary (an “**Intermediary**”) in respect of EFI Notes that the Intermediary holds for the account of its clients (the “**Beneficial Owners**”), provided that each Beneficial Owner is an Eligible Investor. In such a case, the Intermediary must deliver to the Participant a statement on a form approved by the Minister of Finance confirming that (i) the Intermediary is itself an Eligible Investor, and (ii) the Beneficial Owners holding their EFI Notes through it are also Eligible Investors. These identification requirements do not apply to the EFI Notes held in central securities depositories as defined in Article 2, first paragraph, (1) of the Regulation (EU) N° 909/2014 of the European Parliament and of the Council of 23 July 2014 on improving securities settlement in the European Union and on central securities depositories and amending Directives 98/26/EC and 2014/65/EU and Regulation (EU) No 236/2012 (“CSD”) as Participants to the NBB Securities Settlement System and their sub-participants established outside of Belgium (each, a “NBB-CSD”), provided that the relevant NBB-CSD only holds X-Accounts and that they are able to identify the accountholders for whom they hold EFI Notes in such account. For the identification requirements not to apply, it is furthermore required that the contracts which were concluded by the relevant NBB-CSD as Participants or sub-participants include the commitment that all their clients, holder of an account, are Eligible Investors.

Capital Gains and Income Tax

Belgian resident companies

Interest attributed or paid to companies which are Belgian residents for tax purposes, i.e. which are subject to Belgian corporate income tax (“*impôt des sociétés*” / “*vennootschapsbelasting*”), as well as capital gains realised upon the disposal of Notes are taxable at the ordinary corporate income tax rate of 25 per cent., or, where the reduced corporate tax rate applies, 20 per cent. Capital losses realised upon the disposal of the Notes are in principle tax deductible.

Different rules apply to companies subject to a special tax regime, such as regulated investment companies within the meaning of article 185bis of the BITC 1992.

Belgian resident legal entities

Belgian legal entities subject to Belgian legal entities tax (“*impôts des personnes morales*” / “*rechtspersonenbelasting*”) and which do not qualify as Eligible Investors will generally be subject to the Belgian withholding tax at a rate of 30%. This tax constitutes the final levy for them and, in principle, fully discharges their income tax liability.

Belgian legal entities which qualify as Eligible Investors and which consequently have received gross interest income are required to declare and pay the 30 per cent. withholding tax to the Belgian tax authorities.

Capital gains realised on the sale of the Notes are in principle tax exempt, unless the capital gains qualify as interest. Capital losses are in principle not tax deductible.

Belgian non residents

Noteholders who are not residents of Belgium for Belgian tax purposes and are not holding the EFI Notes through a Belgian establishment and do not conduct Belgian professional activities will not incur or become liable for a Belgian tax on income or capital gains or other like taxes by reason only of the acquisition, ownership or disposal of EFI Notes provided that they hold their EFI Notes in an Exempt Account.

Transfer Tax Exemption

Under the exemptions provided for in respect of treasury notes issued in accordance with the Belgian Law in articles 126/1, 9° and 139 bis, 2° of the *Code des droits et taxes divers* (Code of various duties and taxes), *no taxe sur les opérations de bourse/taks op de beursverrichtingen* (tax on stock exchange transactions) or *taxe sur les reports/reportverrichtingen* (tax on repurchase transactions) shall be payable in respect of EFI Notes.

Annual Tax on Securities Accounts

The Law of 17 February 2021 introduced a new annual tax on securities accounts (“*Jaarlijkse taks op de effectenrekeningen*” / “*Taxe annuelle sur les comptes-titres*”). An annual tax of 0.15% will be levied on securities accounts of which the average value of the taxable financial instruments (covering, amongst others, financial instruments such as bonds, notes and warrants) held thereon during a reference period of twelve consecutive months (in principle) starting on 1 October and ending on 30 September of the subsequent year, would exceed 1 million €. The tax base will be established by reference to four reference dates, i.e. 31 December, 31 March, 30 June and 30 September. The amount of the tax due will be limited to 10% of the difference between said average value of the taxable financial instruments and the threshold of EUR 1 million. The tax will target securities accounts held by resident individuals, companies and other legal entities, irrespective as to whether these accounts are held with a financial intermediary which is incorporated or established in Belgium or abroad. The tax will also apply to securities accounts held by non-resident individuals, companies and other legal entities with a financial intermediary incorporated or established in Belgium. There are various exemptions, such as securities accounts held by specific types of regulated entities for their own account.

A financial intermediary is defined as (i) the National Bank of Belgium, the European Central Bank and foreign central banks performing similar functions, (ii) a central securities depository included in Article 198/1, §6, 12° of the Belgian Income Tax Code, (iii) a credit institution or a stockbroking firm as defined by Article 1, §3 of the Law of 25 April 2014 on the status and supervision of credit institutions and stockbroking firms and (iv) the investment companies as defined by Article 3, §1 of the Law of 25 October 2016 on access to the activity of investment services and on the legal status and supervision of portfolio management and investment advice companies, which are, pursuant to national law, admitted to hold financial instruments for the account of clients.

A Belgian intermediary is an intermediary incorporated under Belgian law, as well as an intermediary established in Belgium. A Belgian intermediary withholds, declares and pays the tax to the Belgian treasury. In all other cases, the holder of the securities account must declare and pay the tax, unless evidence of the fact that the tax was already declared and paid by an intermediary incorporated or established in Belgium or not.

Intermediaries not incorporated or established in Belgium can appoint a responsible representative established in Belgium, who will be jointly and severally liable for the declaration and payment of the tax and for all other formalities.

Certain transactions regarding securities accounts executed as from 30 October 2020 are not effective vis-à-vis the Belgian tax authorities, i.e. splitting of a securities account in multiple securities accounts held with the same intermediary and the conversion of taxable financial instruments held in a securities account in financial instruments in registered form. In addition, a general anti-abuse provision is introduced with effect from 30 October 2020.

The Law of 17 February 2021 entered into force on 26 February 2021, i.e. the day following its publication on the Belgian State Gazette, with the exception of the general anti-abuse provision which took effect on 30 October 2020 in relation to the annual tax on securities accounts. The first reference period started on 26 February 2021 and will end on 30 September 2021, with 31 March, 30 June and 30 September 2021 as reference dates.

Common Reporting Standard

Following recent international developments, the exchange of information will be governed by the Common Reporting Standard (“CRS”). On 29 October 2014, 51 jurisdictions signed the multilateral competent authority agreement (“MCAA”), which is a multilateral framework agreement to automatically exchange financial and personal information, with the subsequent bilateral exchanges coming into effect between those signatories that file the subsequent notifications. Since then, another 63 jurisdictions signed the MCAA. In Belgium, the MCAA has been adopted by a Law of 30 August 2017.

More than 50 jurisdictions, including Belgium, have committed to a specific and ambitious timetable leading to the first automatic information exchanges in 2017, relating to income year 2016 (“early adopters”).

Under CRS, financial institutions resident in a CRS country will be required to report, according to a due diligence standard, financial information with respect to reportable accounts, which includes interest, dividends, account balance or value, income from certain insurance products, sales proceeds from financial assets and other income generated with respect to assets held in the account or payments made with respect to the account. Reportable accounts include accounts held by individuals and entities (which includes trusts and foundations) with fiscal residence in another CRS country. The standard includes a requirement to look through passive entities that are non-participating jurisdiction financial institutions to report on the relevant controlling persons.

On 9 December 2014, EU Member States adopted Directive 2014/107/EU on administrative cooperation in direct taxation (“DAC2”), which provides for mandatory automatic exchange of financial information as foreseen in CRS. DAC2 amends the previous Directive on administrative cooperation in direct taxation, Directive 2011/16/EU.

The mandatory automatic exchange of financial information by EU Member States as foreseen in DAC2 started as of 30 September 2017, except with regard to Austria. The mandatory automatic exchange of financial information by Austria started as of 30 September 2018.

The Belgian government has implemented said Directive 2014/107/EU, respectively the Common Reporting Standard, per the Law of 16 December 2015 regarding the exchange of information on financial accounts by Belgian financial institutions and by the Belgian Federal Government Service Finance, in the context of an automatic exchange of information on an international level and for taxation purposes.

As a result of the Law of 16 December 2015, the mandatory automatic exchange of information applies in Belgium (i) as of income year 2016 (first information exchange in 2017) towards the EU Member States (including Austria, irrespective the fact that the automatic exchange of information by Austria towards other EU Member States only started as of income year 2017), (ii) as of income year 2014 (first information exchange in 2016) towards the US and (iii), with respect to any other non-EU States that have signed the MCAA, as of the respective date further determined by Royal Decree of 14 June 2017 (as amended).

Investors who are in any doubt as to their position should consult their professional advisers.

TAXATION – FATCA

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a “foreign financial institution” may be required to withhold on certain payments it makes (“**foreign passthru payments**”) to persons that fail to meet certain certification, reporting, or related requirements. A number of jurisdictions (including Italy and Belgium) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to foreign passthru payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to foreign passthru payments on instruments such as the Notes, proposed regulations have been issued that provide that such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register. In the preamble to the proposed regulations, the U.S. Treasury Department indicated that taxpayers may rely on these proposed regulations until the issuance of final regulations. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

OVERVIEW OF CERTAIN SIGNIFICANT DIFFERENCES BETWEEN THE “RELAZIONE FINANZIARIA ANNUALE” AND THE “ANNUAL REPORT ON FORM 20-F”

Certain significant differences exist between the annual report on Form 20-F of Eni expressed in the English language filed with the U.S. Securities and Exchange Commission (“SEC”) pursuant to the U.S. Securities Exchange Act of 1934 (the “**Annual Report on Form 20-F**”), and the Italian annual report of Eni expressed in the Italian language (the “**Relazione finanziaria annuale**”) filed in accordance with Italian laws and listing requirements.

Annual Report on Form 20-F

The Annual Report on Form 20-F is prepared in accordance with International Financial Reporting Standards (“**IFRS**”) as issued by International Accounting Standards Board which may differ in some respect from IFRS as adopted by the EU. Such differences are described in the section “Basis of presentation” in the Annual Report and in the *Relazione finanziaria annuale*.

The Annual Report on Form 20-F does not contain the section of the *Relazione finanziaria annuale* relating to the separate financial statements of the parent company Eni.

The Annual Report on Form 20-F includes the Reports of the Independent Auditors on the consolidated financial statements and on internal control over financial reporting (based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organisation of the Treadway Commission (the “**COSO criteria**”)), both issued in accordance with the standards of the Public Company Accounting Oversight Board (United States).

The Annual Report on Form 20-F does not contain certain other information, such as the report of the *Collegio Sindacale* (the Board of Statutory Auditors) on the separate financial statements of the parent company and certain attachments to the consolidated financial statements, relating to the changes in Eni consolidation area during the year.

APPENDIX 7

FORM OF GUARANTEE

This Guarantee is given on 1 March 2022 by Eni S.p.A. (the “**Guarantor**”).

Whereas:

- (A) The Guarantor has agreed to guarantee the obligations of Eni Finance International SA (the “**Issuer**”) under the Euro 4,000,000,000 Euro-Commercial Paper Programme of the Issuer and the Guarantor (the “**Programme**”) in an aggregate amount not exceeding Euro 4,000,000,000 (plus related charges and expenses (*oneri e spese accessori*)) under which the Issuer proposes to issue euro-commercial paper notes (in the case of the Issuer, in the form of dematerialised treasury notes) in accordance with the Dealer Agreement (as specified in (B) below) and an amended and restated issue and paying agency agreement (the “**Agency Agreement**”) dated 1 March 2022, as amended from time to time, between, *inter alia*, the Guarantor, the Issuer and Citibank, N.A., London Branch as issue agent (the “**Issue Agent**”) and principal paying agent (the “**Principal Paying Agent**”) (the “**Notes**” or the “**EFI Notes**”).
- (B) Terms defined in the Agency Agreement, the amended and restated Deed of Covenant dated 1 March 2022 executed by the Issuer and the Guarantor, as amended from time to time (the “**Deed of Covenant**”) and in the amended and restated Dealer Agreement each dated 1 March 2022 and executed by, *inter alia*, the Guarantor, the Issuer and the Dealers named therein, and not otherwise defined in this Guarantee shall have the same meaning when used in this Guarantee.
- (C) Any Notes issued on or after the date of this Agreement shall be issued pursuant to this Agreement. This does not affect any Notes issued prior to the date of this Agreement.

This Deed Witnesses as follows:

- 1 The Guarantor hereby unconditionally and irrevocably guarantees, within the amount indicated under Recital (A) above, by way of deed poll to the holder of each Note, (each a “**Holder**” and together the “**Holders**”) and to each Relevant Account Holder that, if for any reason the Issuer does not pay any sum expressed to be payable by it under or in respect of each Note by the time, in the currency and on the due date in accordance with the provisions of the Notes, the Guarantor shall pay that sum as if the Guarantor instead of the Issuer were expressed to be the primary obligor in respect of each such Note to the intent that each Holder or Relevant Account Holder, as the case may be, shall receive the same sum, in the same currency and at the same time as would have been receivable and applicable had such payment been made by the Issuer in accordance with the provisions of the Notes (subject, for the avoidance of doubt, to any applicable grace periods expressed therein).
- 2 All payments by the Guarantor under this Guarantee will be made free and clear of, and without withholding or deduction for, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by, within or on behalf of the Kingdom of Belgium or the Republic of Italy, or any authority thereof or therein having power to tax unless such withholding or deduction is required by law. If such withholding or deduction is required, the Guarantor shall pay such additional amounts as will result in the receipt by the Holders and Relevant Account Holders of such amounts as would have been received by them had no such withholding or deduction been required except that no additional amounts shall be payable in relation to any payment under this Guarantee:
 - 2.1 to, or to a third party on behalf of, a Holder or Relevant Account Holder who is (i) entitled to avoid such deduction or withholding by making a declaration of non-residence or other similar claim for exemption or (ii) liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the Kingdom of Belgium or the Republic of Italy other than the mere holding of the Note or Coupon; or
 - 2.2 in respect of any demand for payment made more than thirty days after the date upon which demand may first be made hereunder, except to the extent that a Holder or Relevant Account Holder thereof would have been entitled to such additional amounts on making such demand on the thirtieth day; or

- 2.3 in relation to any payment or deduction of any interest, principal or other proceeds of any Note or Coupon on account of *imposta sostitutiva* pursuant to Italian Legislative decree No. 239 of 1 April 1996 or any secondary legislation implementing the same (each as amended and/or supplemented from time to time); or
- 2.4 in relation to any payment or deduction of any interest, principal or other proceeds of any Note or Coupon where such withholding or deduction is required pursuant to Italian Presidential Decree No. 600 of 29 September 1973 or any secondary legislation implementing the same (each as amended and/or supplemented from time to time); or
- 2.5 to, or to a third party on behalf of, a Holder or Relevant Account Holder who, at the time of issue of the Notes, was not an eligible investor within the meaning of Article 4 of the *Arrêté Royal du 26 mai 1994 relatif à la perception et à la bonification du précompte mobilier conformément au chapitre Ier de la loi du 6 août 1993 relative aux opérations sur certaines valeurs mobilières/Koninklijk besluit van 26 mei 1994 over de inhouding en de vergoeding van de roerende voorheffing overeenkomstig hoofdstuk I van de wet van 6 augustus 1993 betreffende de transacties met bepaalde effecten* (the Belgian Royal Decree of 26 May 1994 on the collection and indemnification of withholding tax in accordance with chapter I of the Law of 6 August 1993 on transactions in certain securities) or to a Holder or Relevant Account Holder who was such an eligible investor at the time of issue of the Notes but, for reasons within the Holder's or Relevant Account Holder's control, ceased to be an eligible investor or, at any relevant time on or after the issue of the Notes, otherwise failed to meet any other condition for the exemption of Belgian withholding tax pursuant to the law of 6 August 1993 relating to certain securities; or
- 2.6 in relation to any payment or deduction of any interest, principal or other proceeds of any Note or Coupon presented for payment in the Republic of Italy; or
- 2.7 in respect of any demand made by or on behalf of a Holder who would have been able to avoid such withholding or deduction by making a demand for payment by another Paying Agent in a Member State of the European Union.

Notwithstanding any other provision of this Deed, any amounts to be paid on the Notes by or on behalf of the Issuer will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

- 3 As between the Guarantor and the Holders and the Relevant Account Holders but without affecting the obligations of the Issuer, the Guarantor shall be liable under this Guarantee as if it were sole principal debtor and not merely a surety. Accordingly, it shall not be discharged, nor shall its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor, including (a) any time, indulgence, waiver or consent at any time given to the Issuer or any other person, (b) any amendment to this Guarantee, the provisions of the Notes or to any security or other guarantee or indemnity, (c) the making or absence of any demand on the Issuer or any other person for payment, (d) the enforcement or absence of enforcement of this Guarantee, the Notes, the Deed of Covenant or of any security or other guarantee or indemnity, (e) the release of any such security, guarantee or indemnity, (f) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person (or any events having an

analogous effect on the Issuer under the jurisdiction of the Issuer to such dissolution, amalgamation, reconstruction or reorganisation) or (g) the illegality, invalidity or unenforceability of or any defect in, any provision of this Guarantee, the Notes, the Deed of Covenant or any of the obligations of the Issuer under them.

- 4 The Guarantor represents and warrants that the obligations of the Guarantor under this Guarantee are direct, unconditional and unsecured obligations of the Guarantor and (subject as aforesaid) rank *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Guarantor, present and future.
- 5 Until all amounts which may be or become payable under this Guarantee have been irrevocably paid in full, the Guarantor shall not by virtue of this Guarantee be subrogated to any rights of any Holder or Relevant Account Holder or claim in competition with the Holders or Relevant Account Holders against the Issuer.
- 6 The Guarantor's obligations under this Guarantee are and will remain in full force and effect by way of continuing security until no sum remains payable under or in respect of the Notes, the Deed of Covenant or this Guarantee and no further Notes may be issued under the Programme. Furthermore, these obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Issuer, the Guarantor or otherwise.
- 7 So long as any sum remains payable under or in respect of the Notes or the Deed of Covenant or this Guarantee, the Guarantor shall not exercise any right, by reason of performance of any of its obligations under this Guarantee, to be indemnified by the Issuer or to enforce any security or other guarantee or indemnity.
- 8 As a separate and alternative stipulation, subject to Clause 2 above, the Guarantor unconditionally and irrevocably agrees:
 - 8.1 that any sum expressed to be payable by the Issuer under or in respect of the Notes, or the Deed of Covenant in relation to it but which is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, the Guarantor, a Holder or a Relevant Account Holder) not recoverable from the Guarantor on the basis of a guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor and shall be paid by it to the Holder or Relevant Account Holder (as the case may be) on demand; and
 - 8.2 as a primary obligation to indemnify each Holder and Relevant Account Holder against any loss suffered by it as a direct result of any sum expressed to be payable by the Issuer under any Note or the Deed of Covenant in relation to it not being paid by the time, on the date and otherwise in the manner specified herein or in the provisions of the Notes (subject, for the avoidance of doubt, to any applicable grace periods expressed therein) or any payment obligation of the Issuer under such Notes relating to it or the Deed of Covenant in relation to it being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now becoming known to the Issuer, the Guarantor, a Holder or a Relevant Account Holder) the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum.
- 9 The Guarantor agrees that it will comply with and be bound by all such provisions of the Notes which are expressed to relate to it as if such provisions were set out in full in this Guarantee.
- 10 The Guarantor may not amend, vary, terminate or suspend this Guarantee or its obligations hereunder until after the Termination Date save that nothing in this Clause shall prevent the Guarantor from increasing or extending its obligations hereunder by way of supplement to this Guarantee at any time.

“**Termination Date**” means for the purpose of this Clause 10 the first date on which no further Notes may be issued under the Agency Agreement and complete performance of the obligations contained in this Guarantee and in all outstanding Notes occurs.
