

Eni: Complaint Filed to the Court for False Letter Addressed from Eni to I.D.I.

San Donato Milanese (Milan), 6 April 2013 – Eni announces that it has come into possession, through the newsroom of the TV program “Report”, of a false letter that was attributed to a manager of the company in July 2010 to Father Franco Decaminada, President of IDI, in relation to a fictitious development project in the Democratic Republic of Congo.

Eni filed a complaint to the Court this morning to protect the reputation of the company and its management, highlighting the material falsity of the document and the total groundlessness of its content.

Moreover, with regard to completely unfounded information reported by the press in 2011 and subsequently denied by Eni, the company reiterates its categorical denial of the existence of a relationship of any kind with the company Ibos Due and the Congregazione dei Figli dell'Immacolata Concezione.
