

Eni: President of Cyprus, Nikos Christodoulides, meets CEO Claudio Descalzi

Cyprus, 27 June 2023 - The President of the Republic of Cyprus, Nikos Christodoulides, met with Eni's Chief Executive Officer, Claudio Descalzi, today to discuss the Company's activities in the country.

Eni's CEO shared with the President the opportunities to develop and enhance the country's gas potential, leveraging on Eni's plan to optimize the value of recently made discoveries as well as the further exploration activities that Eni intends to carry out based on the outline of the previous discoveries and ongoing studies.

Finally, the parties discussed further investigating Eni's role in the development of sustainable mobility in the country, especially in the context of the distribution and use of biofuels.

Eni has been present in Cyprus since 2013. The company operates blocks 2,3,6,8 and 9 and has participating interests in blocks 7 and 11, operated by TotalEnergies.
